DR. RADWAY:—That others may be benefitted, DR. RADWAY:—That others may be benefitted, I make this statement:

I have had an Ovarian Tumor in the ovaries and bowels for ten years. I tried the best physicians in this place and others without any benefit. It was growing at such rapidity that I could not have lived much louger. A friend of mine induced me to try Radway's Remedies. I had not much faith in them, but finally, after much deliberation, I tried them.

I purchased six bottles of the Resolvent, two boxes of the Pills, and two bottles of the Relief I used those without any apparent benefit. I determined es of the Pills, and two hottles of the Relief. I used those without any apparent benefit. I determined to persevere. I used tw. lve more bottles of the Resolvent, two of the Relief, and two boxes of Pills. Before they were gone I had lost 25 pounds.

I continued to use the medicine until I was sure that I was entirely cared. I took the medicine about five months, and during that time lost 45 pounds. In all I took three dozen bottles of the Resolvent, six bottles Relief, and six boxes of the Pills.

I feel perfectly well, and my heart is full of grat-I feel perfectly well, and my heart is full of grat-linde to God for this help in my great affliction. To you, Sir, and your wonderful medicine, I feel deep ly indebted, and my prayer is that it may be as much of a blessing to others as it has been to me. Mrs. E. C. Birbeins.
